BEST Customer Service

Customer Service

We believe business revolves around understanding our customers

With BEST Internet & Telecom Pty Ltd you come first, because we understand the importance of a reliable communications service to your business.

That's why we provide:

- **Dedicated Account Managers**
Every business customer is assigned an Account Manager, who is responsible for ensuring absolute customer satisfaction that is a hallmark of our relationships.
- **Local Representatives**
We understand the value of face-to-face contact which is why we have representatives in your local area who are fully qualified, ready to help and who understand your situation.
- **Fault Logging**
Available 24 hours a day, 7 days a week.
- **Online Cost Manager**
Providing your business with a easy to use reporting tool to stay on top of costs.
